ACADEMIC HISTORY

Western Colorado University

Bachelor of Fine Arts in Photography | Class of 2021

Explored a year long thesis that focused on printing climbing imagery directly onto sandstone in the darkroom. This involved both pushing my creative drive and testing scientific processes to ensure the execution of my hypothesis. Also learned graphic design and compositional skills.

Western Colorado University

Bachelor of Arts in Communication Arts | Class of 2021

Studied the multifaceted elements of communications through marketing, public relations, media creation, news, and social media. Not only learned about effective communication systems, but also implemented them through various group projects and extracurricular activities.

Member and Captain of the Climbing Team 2019 - 2021

EXPERIENCE

Sales Representative and Digital Marketing Associate

Redline Art Gallery in Crested Butte | 2021 - Present

Currently works as a salesperson and featured artist at Redline Gallery. This involves maintaining the gallery space while also building a relationship between the patrons and artists through staging, marketing, and sales.

Head Marketing Photographer

Momentum Ski Camps in Whistler, BC | Summer of 2019

Planned the advertisement, web, and editorial photo shoots along with building a network of connections with industry individuals and brands. This position required 24/7 work which allowed me to grow in time management and interpersonal skills.

Social Media Influencer & Affiliate

Stio | April 2022 - Present

Currently works as a social media influencer and affiliate for Stio. This involves creating user generated content about their gear, along with sharing media in relation to the brand's mission.

Freelance Photographer & Graphic Designer

Meghan LaHatte Photography | 2017 - Current

Currently runs a self-made photography & design business. This requires extensive hours of scheduling, logistics, shooting, editing, and delivery of photos to clients. Some previous clients include Head Ski, BUFF Canada, HydroFlask Canada, CB Ski Patrol etc.

Climbing Instructor/Media Coordinator/Office Staff

Wilderness Pursuits in Gunnison, CO | 2018 - 2021

Worked as an instructor for various outdoor oriented trips, as well as a photographer and social media expert for WP at Western Colorado University.

Photo Intern

Momentum Ski Camps in Whistler, BC | Summer of 2018

Worked with professional skiers, campers, and a marketing team to ensure we had advertisement worthy shots for the camp's many sponsors.
